## Summary

Technical Trainer and Software Developer with a strong background in various programming languages and development tools. Proven ability to train and mentor new developers. Experienced in developing and testing innovative software applications, with a focus on user experience and retention.

## Skills

- Languages: Java, JavaScript, HTML, CSS.
- Familiar: C, Python, OOPS Concept.
- Mathematics

## Experience

### Software Developer - Technical Trainer, Rooman Technologies

June 2023 – November 2023

- Developed and delivered engaging training materials for 100+ new developers.
- Facilitated interactive learning activities to enhance information retention.
- Provided constructive feedback to trainees, identifying areas for improvement and offering specific suggestions.

### Junior Software Developer – Assistant Trainer, Rooman Technologies

April 2023 - June 2023

- Conducted code reviews, debugging, and troubleshooting, helping trainees develop their programming skills.
- Mentored and trained 100+ junior developers on best practices in software development, improving the quality of their code.

## Projects

### Helmet Plate Detection using Python

- Developed a helmet plate detection system using Python and OpenCV, demonstrating strong technical skills and problem-solving abilities

- The system is able to detect and identify helmet plates in real time, requiring attention to detail and accuracy.
- The system is accurate and robust, and can be used in a variety of applications, such as traffic enforcement and security, showing creativity and initiative.

## **Responsive Website**

- Developed a responsive and interactive website using HTML, CSS, and JavaScript for a personalized project.
- Demonstrated proficiency in front-end development and user experience design, resulting in a successful and engaging user interaction.

## **Education**

### **Master of Computer Applications (MCA)**

BMS Institute of Technology and management

Feb 2024

### **Bachelor of Science (B.Sc. - PMCs)**

PES Institute of Advanced Management Studies

July 2019 - Nov 2022 | CGPA: 8.4/10 | Percentage: 80%

### **Pre-University Course (PUC)**

Sri Aurobindo PU College

March 2019 | Percentage: 76.00%

### **Secondary School Leaving Certificate (S.S.L.C)**

Kendriya Vidyalaya Shimoga

April 2017 | CGPA: 9.0/10

## **Awards and Honors**

- Selected as NACC student Representative (2019), organizing various contests and ensuring student demands and requirements.

## **Certifications**

- Trainer Certificate by Skill India, National Skill Development Corporation (NSDC)
- Python Certification: Udemy - Jan 2023
